MEMORABUM FOR: Mrector of Personnel

SUBJECT:

Proposed Regulation

REPERMALL:

Memorendum, Director of Personnel to General Counsel, dated 5 December 1955

1. Study of the proposed regulation indicates that it raises

25X1A

2. We do have a few suggestions to offer in the interests of elarity. Of these, the most important is a suggestion that

be further explained. This might be accomplished by an explanatory comment within this regulation or by areas reference to another regulation which will discuss the phrase. Its expearance in several places with initial capitals gives it the appearance of a very specific estity. As we understand it from previous conversetion with members of your staff, there is no standard format for these plans, but they are, rather, to represent the individual's suggestions, perhaps as refined through discussion with his issuediate superiors as to the ecabination of training and ussignments which might better fit him for service with the Agency. Some expression of this concept in the regulation might clarify it for prospective conlicents.

3. Minor scitorial suggestions:

Paragraph 2n. Insert a come after "training" in line 3.

Parestroph &. Replace "or" with "mor" in line 5.

Paragraph (a(1). Replace "in" with "into" in line 5.

with the former in the second line on page 7.

Paracraph Sb(2)(f). Change "determined" to "determines" in
